## PREFACE.

---

THE Roll of Honour contains the names of thirty-three Members, Officials, and unmatriculated Students of the University, who died in the Field or as the result of illness or injuries received after enlistment. Of these, Captain R. J. Cholmeley, M.C., was a member of the Professorial Staff, five were graduates, and one a member of the Administrative Staff.

THE Roll of Service contains 118 names of Members, Officials, and unmatriculated Students of the University, who served overseas as defined by the Constitution of the Returned Sailors and Soldiers' Imperial League of Australia. It does not contain the names of those whose service was not within that definition, or of those whose service for various reasons, such as age or special qualifications, was confined to Australia.
